Transparency in Government Projects

In August 2017, the Information Commissioner was given a copy of a discussion paper entitled: "Transparency in Government Projects" by the Special Inquiry into Government Programs and Projects (**the Inquiry**) and was invited to provide a submission on the paper's contents.

On 29 September 2017, the Acting Information Commissioner provided the Inquiry with a written submission, which is available at:

In February 2018, the Inquiry published its report that it had provided to the State Government.

Item 4.3 on page 83 of Volume 1 of the Inquiry's Report deals with Transparency.

The full report of the Inquiry is available at:
